

L-3D Privacy Policy

The information is provided pursuant to Article 13 of EU Regulation 2016/679 ("GDPR").

1. Data Controller and Contact Details

The Data Controller is TRELab - Department of Political Science – Roma Tre University, with registered office at Via Gabriello Chiabrera, 199 00145 Roma. The Data Controller can be contacted at info@trelab.it.

2. Types of Data Processed

The Data Controller processes the following personal data of data subjects: stakeholder category, main expertise and Location. The Data Controller is solely responsible for the processing of the data provided to it.

3. Processing Methods

The processing is carried out using IT and/or telematic tools, with organizational methods and logics strictly related to the indicated purposes, in order to ensure an adequate level of personal data protection.

4. Purposes and Legal Basis of Processing

The provided data will be processed to establish permanent working groups that allow for the study of the improvement of Urban Passenger and Freight Transport within the MOVE21, project funded by the European Commission. The legal basis for the processing is the agreement between the parties.

5. Communication and Disclosure of Data

In addition to the Data Controller, some data may be communicated to external parties involved in the Data Controller's organization, appointed as Data Processors by the Data Controller if necessary. However, in any case, the communication of data requested in compliance with the law to police forces, the judicial authority, information and security agencies or other public entities for the purposes of defence or state security or for the prevention, investigation or repression of crimes is reserved. The data will not be disseminated.

6. Place of Processing

The Data Processing takes place at the Data Controller's registered office and in any other location where the authorized persons legitimately involved in the processing are located. Management and storage take place with traditional tools within the Data Controller's registered office and/or digital or advanced technology tools that also allow storage in the cloud, in particular, the Aruba cloud is used, and storage takes place in Europe, within Italian territory.

7. Data Retention Periods

The data is processed for a period of 5 years. After that, the data will be pseudonymized and kept for statistical and/or protection purposes and to comply with current legal obligations for another five years.

8. Data Subject's Rights

The data subjects are the individuals to whom the personal data refer and they may exercise the rights provided for in Articles 15, 16, 17, 18, 20, and 21 of EU Regulation 2016/679 (available at the following link: <https://eur-lex.europa.eu/legal-content/en/TXT/PDF/?uri=CELEX:32016R0679&from=en>).

9. Changes to this Personal Data Processing Notice

The Data Controller reserves the right to make changes to this personal data processing notice at any time by giving notice.
